

Index to Volume 50—1943

Key to Abbreviations: (ab) Abstract; (dp) Diagnostic Pointers; (ed) Editorial; (rev) Book Review; (tt) Thumbnail Therapeutics; (M-M) Medico-Military Notes; (cn) Clinical Note.

	Page
A	
Abdomen, distention of (tt)	254
distention of, postoperative (ab)	171
lesions, pre- and post-operative care of (see Lake)	45
wounds, treatment of draining (tt)	65
Abortions and contraception (ab)	29
repeated (dp)	121
Abcess, anorectal (dp)	121
Achard, H. J. (see Lake)	3
Achlorrhidia (tt)	94
Acids, amino in surgery (ab)	90
ascorbic, large doses in essential hyper- tension.—Davis and Poser	152
collodion-meric for burns (ab)	336
hydrochloric (tt)	122
Acne, vulgaris, newer therapy of (ab)	28
estrogens for (tt)	338
Administrative school, medical, doubles classes (M-M)	32
Adolph, E. F.—Physiological regulations (rev)	341
Adrenal Cortex for premature infants (ab)	305
Advances in internal medicine.—J. M. Steele (rev)	35
in pediatrics.—A. G. De Sanctis (rev.)	35
Advertisements from early issues (see Lake)	2
Aged, operations on the (tt)	200
peptic ulcer in (ab)	153
Aging, physiology of (ab)	154
Aircraft, plastic, stops sunburn (M-M)	199
Airsickness (M-M)	31
Albuminuria (dp)	227, 255
orthostatic (dp)	64
or hypertension in pregnancy (ab)	333
Alcoholism, chronic, benzedrine sulfate in (ab)	119
Allen, F. M.—Reduced temperatures (cold) in surgery and therapy	266
Allergy, objective diagnosis of (dp)	121
(see Food) (dp)	255
Alvarez, W. C.—Some common errors of diagnosis	189
A.M.A. case, issues in (ab)	51
Amidextrous gloves (ab)	28
American Illustrated Medical Dictionary. —W. A. Doran (rev)	256
Amputation, indications for (dp)	145
Ana-tomosis. See Hernia, delayed.	
Anatomy of the nervous system, the— S. W. Ransom (rev.)	340
Anderson and Baylous.—Rationing doctors (rev)	66
Anderson, W. A. D.—Synopsis of pathology (rev)	36
Androgens, psychic effects of (ab)	142
Anemia, questions concerning.—Wm. P. Murphy	260
and pallor (dp)	64
in colon and rectal diseases.—C. J. Drueck	128
in nephritis (tt)	254
Anesthesia, continuous caudal, in labor (ab)	27
depth of (dp)	338
local, cautions for (ab)	61
spinal, precautions (ab)	307
Angina, a low carbohydrate diet for.— B. P. Sandler	211
pectoris (see Hutton)	13
Anorectal abscess (dp)	121
Antiseptics, vaginal, during labor (tt)	122
Apparatus, field transfusion (M-M)	144

	Page
simple for intravenous infusions.—J. A. Dungan	131
Appeals, procedure (M-M)	63
Appendicitis, diagnosis of (dp)	34
Army doctor, the (M-M)	32
surgeon and pioneer in gastric physi- ology (Dr. Wm. Beaumont) (ed.)	67
Art and science of medicine, progress in (ed)	6
Arteries, Uterine, vaginal hysterectomy without ligating or clamping.—W. A. Guild	133
Arteriosclerosis (dp)	175
Arthritis, diagnosis of (ab)	59
gold in rheumatoid (ab)	102
the throat in rheumatoid.—F. J. Novak	77
Asphyxia, fetal (cn)	274
Asthenia, summer, and Addison's disease. —E. C. Coke	240
Asthma, bronchial: clinical considerations. —L. H. Crip	268
dilantin for (ab)	304
pertussis vaccine in (tt)	33
pertussis vaccine therapy of (ab)	171
potassium iodide in (tt)	282
restricted diet for	225
sulfonamides in severe	104
Asthmatics, relaxation therapy for.—F. S. Svevo	324
Atelectasis following trauma (cn)	224
Athlete's Foot. See page 281.	
Autonomic regulations.—E. Gellhorn (rev)	341
Avenzoar (see biographies)	149
Axioms, tuberculosis (ab)	337
B	
Babies, vitamin K for (tt)	122
Bacillary Dysentery, sulfaguandine in (cn)	105
sulfaguandine in (tt)	122
Backache (dp)	145
Back Pain, low (dp)	93
low (tt)	33
Bacon, H. E.—Essentials of proctology (rev)	228
Bacteriology, diagnostic, methods for.— I. G. Schaub (rev)	340
Bandaging in compression shock (M-M)	32
Barbiturates (ab)	117
Barnes, R. W.—Bladder and urethral dis- orders in women	48
endoscopic prostatic surgery (rev)	147
Barnes, B. C.—Simple postoperative care	38
Bauer, W.—Changes in the knee joint (rev)	284
Beaumont, Wm. (see biographies)	66
Beck, Alree C.—Obstetrical practice (rev)	202
Beebe, G. W.—Contraception and sterility (rev)	123
Belladonna (tt)	122
Bennett, G. A.—Changes in the Knee Joint (rev)	284
Benzedrine Sulfate and phenobarbital in epilepsy (tt)	94
in chronic alcoholism (ab)	119
Bernard, Claude (see biographies)	273
Berson, M. I.—Principles of management of nasal deformities	257
Beverage, high protein, a (ab)	336
Bile Salts for constipation (cn)	278
Biodynes (ed)	99
Biographies. Avenzoar	149
Beaumont, William	67
Bernard, Claude	273
Burggraef, Adolphe	37
Ferrán, Jaime	125
Galen, Clarissimus	179

INDEX

	Page		Page
Laveran, Alphonse	229	(ab)	334
Senn, Nicholas	205	Carbon Monoxide poisoning (cn)	277
Servetus, Michael	327	Carcinoma. See cancer.	
Vaughan, Victor	97	bronchial (dp)	145
Makers of the clinic	1	bronchial, symptoms of (dp)	339
Medical ed.)	150	prostatic, stilbestrol in (tt)	226
Biotin (ab)	60	Cardiac failure versus shock (ab)	142
Birth Control (ab)	252	hypertrophy (tt)	174
Bismarsen in lupus erythematosus (ab)	30	Cardiology, clinical.—Wm. Dressler (rev.)	95
Bismuth in tonsillitis (ab)	91	Caries, dental, and sugar (ab)	59
Bites, human (tt)	146	Catheterization (tt)	174
Bladder and urethral disorders in women		Cautions for local anesthesia (ab)	61
(see Lake)	48	Cerumen (wax in ear) (tt)	338
in comatose patients (ab)	92	Cervicitis and sterility (dp)	227
Bleeding (tt)	254	Chemotherapy of gonococcal infection.—	
and uremia (dp)	93	R. D. Herold (rev.)	256
functional uterine (see Hutton)	13	Chest Diseases, common errors in diagnosis of.—	
Blindness, color, and the army (M-M)	199	S. E. Thompson and	
night (ab)	374	Wm. W. Coulter	161
Blood, sedimentation rate (dp)	227	war injuries of.—H. M. Davies (rev.)	341
sugar (see Hutton)	12	Chiggers (tt)	200
ultraviolet irradiation of (ab)	143	Children, chronic cough in (dp)	283
Blood Pressure (dp)	255	chronic illness in, the (dp)	339
Body, does not cure itself, the (ed)	230	chronic cough in (dp)	339
Boien, H. L.—Emotional factor in peptic ulcer	314	diabetic (cn)	279
Books (revs) 25, 35, 95, 123, 147, 202, 228, 284	340	hypothyroidism in (dp)	145
Bracemand, F. J.—War psychoses and psychoneuroses	47	school (see Hutton)	11
Brain injuries and skull fractures.—Harry E. Mock	215	ultraviolet irradiation for (ab)	337
Breast, diseases of.—C. F. Geschickter (rev)	147	use of Seconal in (ab)	170
milk, factors affecting (ab)	60	Chilling (ab)	59
painful after delivery (tt)	200	Chlorhydrate (ab)	223
tumor of (dp)	308	Cholecystitis. See Gallbladder.	
Breathing. See respiration		Christian, H. A.—Osler's medicine (rev.)	35
Breathlessness, obesity and (cn)	278	Christmas people (ed)	328
Breec presentation (see Lake)	46	Chronic conjunctivitis (tt)	226
Bronchial Asthma: clinical considerations.		cough (dp)	34
—L. H. Crip	268	cough and pneumonia in children (dp)	283
carcinoma (dp)	145	ill health and brucellosis (ab)	139
carcinoma symptoms (dp)	339	nasal obstruction: treatment by cauterization of the turbinates.—R. L. Gorrell	185
obstruction, diagnosis of	165	prostatitis (tt)	174
Brown, W. H. — Methods and value of roentgen examination of head injuries	245	prostatitis in older men	331
Brown, G. V. I.—Plastic reconstruction	46	sore throat or hoarseness (do)	283
Brucellosis and chronic ill health (ab)	139	Circulatory Diseases. See Blood.	
in man and animals.—I. F. Huddleson (rev)	228	Civilians, war medicine for.—Darnall & Cooper (rev)	95
malaria and rickettsioses, sulfonamides in (ab)	104	Clinic, the, makers of (frontispiece)	1
some common errors of diagnosis.—W. C. Alvarez	189	old, editorial room of (see Candler)	5
Burdick, A. S. (see Lake)	3	Clinical cardiology.—Wm. Dressler (rev.)	95
Burggraeve, Adolphe (see biographies)	37	considerations; bronchial asthma.—L. H. Crip	268
Burnet, James.—Presentation of Seminar problem. (No. 11, 1942)	113	diagnosis by laboratory methods.—Todd and Sanford (rev)	278
solution of Seminar problem	114	guessing versus diagnosis (ed)	112
Burns, shock, wound healing and vascular injuries. (rev)	147	instinct in diagnosis (cn)	281
collodion-picric acid for (ab)	336	medicine, fifty years of (frontispiece and ed.)	1
management of.—J. C. Urkov	318	significance of postauricular edema (ab)	169
sulfanilamide in (ab)	104	therapeutics.—W. C. Cutting (rev)	310
sulfur ointments for (tt)	282	Clinics.—G. M. Piersol (rev)	35
treatment, simple (tt)	94	Clough, S. de W.—A word from the business manager	6
Business manager, a word from.—Clough	6	Coccidioidomycosis.—C. D. Marple	40
Buttock wounds (dp)	175	Cold for burns (tt)	254
		edema from (ab)	334
		in surgery and therapy.—F. M. Allen	266
		Colds and sinusitis, staphylectomy for the relief of.—E. Ewens	100
		significance of (do)	308
		sulfathiazole nasal jelly for.—R. S. MacArthur	132
		Colic with hematuria (dp)	64
		renal stone and (dp)	227
		Colitis, mucous, or "irritable colon" (ab)	29
		Collodion-picric acid for burns (ab)	336
		Colon and rectal diseases, anemia in.—C. J. Drueck	128
		Colonic cancer, symptoms of (cn)	280
		pain (dp)	283
		symptoms (ab)	195
		therapy, sulfasuxidine	103
		Colostomy, management of (ab)	197

INDEX

	Page
Comatose patients, bladder in (ab).....	92
Commercial and technical dictionary.— A. P. Guerrero (rev).....	36
Complications, postoperative pulmonary (ab).....	119
Congo Red following tonsillectomy.—P. E. Craig.....	75
Conjunctivitis, herpetic (tt).....	122
Constipation, bile salts for (cn).....	278
Contraception and abortions (ab).....	29
and sterility.—W. Beebe (rev).....	123
Cooke, W. R.—Essentials of gynecology (rev).....	123
Cooling in shock (ab).....	141
Cooper and Darnall.—War medicine for civilians (rev).....	95
Corneal ulcers (tt).....	146 and 200
Coronary disease (dp).....	227
management of (ab).....	251
pain (dp).....	145
Coryza. See Respiratory tract.	
Cough, chronic (dp).....	34
chronic, in children (dp).....	339
whooping (ed).....	39
Coulter, Wm. W.—Common errors in diag- nosis of chest diseases.....	161
Courtesy, professional (ed).....	126
Craig, P. E.—Congo red following tonsil- lectomy.....	75
Cremation.—G. B. Lake.....	157
Criep, L. H.—Clinical considerations; bron- chial asthma.....	268
Critical Occupations, draft deferment in (M-M).....	144
Culbertson, J. T. — Medical parasitology (rev).....	95
Curtis, A. H.—A textbook of gynecology (rev).....	66
Cushing and Cushing, J. G. and M. Mc- Kinniss.—Time and the patient.....	106
Cutler, C. W.—The hand (rev).....	95
Cyanosis in the newborn (ab).....	27
Cystitis in women (tt).....	254
interstitial (tt).....	174
Cystoscopy. See Bladder.	

D

D'Antoni, D. S.—Treatment of intestinal protozoa and helminths (part I), 261; (part II).....	297
Dandy, W. E.—Sciatica (ab).....	249
Darnall and Cooper. — War medicine for civilians (rev).....	95
David, V. C.—Pre- and post-operative care of abdominal lesions.....	45
Davies, H. M.—War injuries of the chest (rev).....	341
Davis, N. S.—Large doses of ascorbic acid in essential hypertension.....	152
Nutrition (Introductory Statement).....	323
Deafness and endocrines (dp).....	145
eustachian tube in (tt).....	282
Deferment, draft, in critical occupations (M-M).....	144
Deficiency, pituitary (see Hutton).....	12
riboflavin (dp).....	121
thiamin (dp).....	34, 175
Deliveries, home (cn).....	277
Delousing fluid (M-M).....	32
Denker, F. G.—Early Laminectomy for spinal cord injury.....	243
Dental infections and urticaria (dp).....	339
Dermatitis (dp).....	175
Dermatology, manual of.—D. M. Pillsbury (rev).....	36
De Sanctis, A. G.—Advances in pediatrics (rev).....	35
Diabetes, insulin-resistant (ab).....	119
present-day treatment of (ab).....	30
Diabetic child (cn).....	278
Diagnosis of appendicitis (dp).....	34
arthritis (ab).....	59

bronchial obstruction (cn).....	165
chest diseases, common errors in.—S. E. Thompson and W. W. Coulter.....	161
diphtheria (dp).....	283
fatty stools (ab).....	60
rickets (dp).....	255
skin diseases, common mistakes in.— P. H. Power.....	165
sterility (ab).....	118
clinical guessing versus (ed).....	112
clinical instinct in (cn).....	281
commonly missed in general practice.— M. P. Neal.....	163
eye signs in (cn).....	224
objective, of allergy (dp).....	121
some common errors of.—W. C. Alvarez.....	189
treatment of heart disease, and (ab).....	118
Diagnosing tuberculosis (dp).....	201
Diagnostic significance of indicanuria (dp).....	255
Dicoumarin and heparin (ab).....	30
Dictionary, technical and commercial.— A. P. Guerrero (rev).....	36
Medical, American illustrated.—W. A. Dorland (rev).....	256
Diet in edema (ab).....	56
for the old (ab).....	61
low fat, and hypertension (ab).....	333
restricted, for asthma (ab).....	225
tube feeding (ab).....	92
ulcer (tt).....	146
Dietary edema (dp).....	145
Diethylstilbestrol treatment of uterine bleeding.—K. J. Karnaky.....	182
Dietitians, and physical therapy aides, military status for (M-M).....	120
Digestive test capsule for indigestion (ab).....	253
Digitalis, the use of (ab).....	169
Dilantin for asthma (ab).....	304
Dilemma of the general practitioner (ed).....	206
Diphtheria, diagnosis of (dp).....	283
reimmunization against (ab).....	92
Discharge after the menopause (dp).....	283
Diseases of the breast.—C. F. Geschick- ter (rev).....	147
colon and rectal, anemia in. — C. J. Drueck.....	128
of the duodenum.—R. R. Graham.....	155
of the thyroid gland.—A. S. Jackson.....	70
Disinfection, water (M-M).....	63
Disorders, bladder and urethral, in women (see Lake).....	48
due to heat (ab).....	130
Dizziness following head injuries (tt).....	122
Dizzy patient, the (ab).....	335
Doctor, army, the (M-M).....	32
navy, in war (ab).....	252
when doctor chooses (ab).....	51
Doctor Medico.—Problem of the snowflakes and the city by law.....	24
problem of the 30-cent telegram.....	51
Doctors and medical students (M-M).....	32
rationing.—D. Anderson and M. Baylous (rev).....	66
secretary (ed).....	24
Dorland, W. A.—The American illustrated medical dictionary.....	256
Dosage of morphine.—R. L. Gorrell.....	31
Draft deferment in critical occupations (M-M).....	144
Draining abdominal wounds, treatment of (tt).....	65
Dressler, W.—Clinical cardiology (rev).....	95
Drueck, C. J.—Anemia in colon and rectal diseases.....	128
Drug fever (dp).....	175
Drugs and mental diseases (dp).....	121
Dungan, J. A. — Discussion of seminar problem.....	114
A simple apparatus for intravenous in- fusions.....	131
Duodenal tube, uses of (ab).....	62
ulcer (ab).....	62
Duodenum, diseases of the. — R. R. Gra- ham.....	155

INDEX

	Page		Page
Dyer, R. E.—Typhus fever	47	Fever, and acute infections, oxygen in	
Dysentery, sulfaguanidine in bacillary (ab)	105	(tt)	33
bacillary, sulfaguanidine in (tt)	122	and x-ray treatment of cancer (ab)	30
sulfaguanidine in (tt)	226	cerebrospinal (ed)	38
Dysmenorrhea, surgical treatment of (tt)	309	"drug" (dp)	175
Dyspepsia and hypothyroidism (dp)	121	typhus (see Lake)	47
Dyspnea, oxygen in (ab)	225	yellow, vaccination now safe (ab)	28
Dystrophy, progressive muscular (tt)	282	Fibrillation, articular (dp)	201
		Fibroids, hormone treatment of (tt)	200
		Fifty years of Clinical Medicine (frontis- piece and ed)	1
E		Fire and ether (ab)	197
Ear infections, sulfonamides in (ab)	103	First Aid by laymen; legal aspects (ed)	23
running, plug (tt)	65	Fluid, delousing (M-M)	32
wax in (tt)	338	Focal Infection (dp)	93
Eclampsia, weight gain and (ab)	169	Food Allergy (dp)	255
Edema, clinical significance of postauricu- lar (ab)	169	Foot, immersion, treatment of (M-M)	173
diet in (ab)	56	troubles, minor, care of (cn)	281
dietary (dp)	145	Fractures.—P. B. Magnuson (rev)	123
from cold (ab)	334	of the jaws and other facial bones.—G. Major (rev)	147
salyrgan by mouth in (tt)	33	scaphoid; persistently painful wrist (ab)	271
Editorial room of the old clinic (see Candler)	5	Froelich's Syndrome (see Hutton)	10
Education, medical, new plans for (M-M)	62	Fuel rationing, and health (ab)	59
Electric shock, treatment of mental dis- orders with.—L. Reznikoff	17		
Electrocardiogram. See Heart.		G	
Electrocardiographic errors. — W. C. Al- varez	191	Galen, C. (see biographies)	179
Electrophoresis of proteins.—H. Abramson, L. S. Mayers, and M. H. Gorin (rev)	36	Gallbladder, delayed emptying: some com- mon errors of diagnosis.—W. C. Alvarez	180
Embolism, arterial (ab)	198	distress (tt)	122
pulmonary, prevention and treatment of (ab)	29	normal appearing (ab)	334
Emissions, seminal (ab)	108	roentgenograms (ab)	223
Endocrine Gynecology.—K. J. Karnaky	285	Gallstone, innocent (ab)	223
Endocrines and deafness (dp)	145	Gasoline and tire rationing (ab)	25
Endocrinology, war, and recent progress. —J. H. Hutton	10	Gas Pains (dp)	34
Endoscopic prostatic surgery. — R. W. Barnes (rev)	147	Gases, noxious. — Y. Henderson and H. Haggard (rev)	310
Engel, L. P.—Symptoms after thyroidec- tomy	48	Gastric. See Stomach	
Enzyme mixture for dissolving slough.— S. T. Glasser	271	physiology, army surgeon and pioneer in (Dr. Wm. Beaumont) (ed)	67
Epilepsy, benzedrine sulfate and pheno- barbital in (tt)	94	Gastroenterostomy. See Ulcer (peptic).	
Eschatin in shock (tt)	33	Gellhorn, E.—Autonomic regulations (rev)	341
Estrogen for premature infants (tt)	309	Geriatrics. See Age, old.	
for acne (tt)	338	Care of the aged.—M. W. Thewlis (rev)	66
Ether and fire (ab)	197	Gerling, C. J.—The sight saver (rev)	341
